### MEMBER COMMITMENT FORM

Silverdale Pony Club is run by a voluntary group of individuals and its success is a reflection of the commitment from its members and their families. As a member of Silverdale Pony Club, you will be required to assist at Five of the following activities/events over the 2019/2020 pony club season.

To help us organise these days, we would be grateful if you could indicate in the table below which events you would be able to assist with. Members will also be asked to assist with the Barbeque on rally nights as per the BBQ rota.

There will be a \$50 saddlery warehouse voucher awarded to the most amazing volunteer of each event.

The following questions are incorporated into your membership registration at enrolment and you will be required to answer which dates you will be helping.

Many thanks
